<https://stegarusvetlana.github.io/>

I'm an ambitious, curious person with a creative mind. Aspiring to be part of a team where I could apply and extend my acquired knowledge.

## Experiences

September 2017 – Present

### Front-end Developer

The Informal School of IT

I have learned to build user interfaces of web applications with HTML5, CSS3.

I have also learned to use the basics of Javascript (variables, functions, objects, methods), EcmaScript 6, AJAX, jQuery, DOM manipulation.

I was introduced to ReactJs.

Learned the principles and basic commands of Git.

July 2007 – July 2015

### Construction Engineer

Camusat Rom Telecomunicatii

Acquired skills and knowledge:

Good communication with the team, logical thinking and working fast with deadline.

Tools: Autocad 3D, Mathcad, SAP.
